**GIVE YOURSELF THE GIFT OF TIME TO BE FULLY  
PRESENT SO YOU CAN PLAN YOUR YEAR AHEAD.**

**Do you have a plan for how you are going to achieve your  
goals for 2021 and beyond?**

If you would like to have a plan but don't know where to start, the Plan in a Day – Life 'On Purpose' workshop is perfect for you.

Set your intentions for the year with this active and hands-on workshop which is designed to show you how to learn from what has served you best in the past and use your life lessons to serve you better in the future.

Get rid of uncertainty, doubt and insecurity and bring inspiration, clarity and structure through 2021.

Join me and other like-minded people who want the ability to create a positive life, full of meaning and contentment.

We will go through each step to Plan Your Life, or develop a Plan for the next 365 days of 2021. You will walk out of the room with a clear plan: written vision and purpose, simple achievable steps to reach your goals, and ways to know that you are on track to help you celebrate your achievements throughout the year!
